2. Washer M6 Ø25mm (1x)
3. Washer M6 Ø18mm (3x)
4. Cap nut M6 (3x)
5. Seat belt (1x)

Attaching the seat belt to the box

The seat belt is mounted as shown on the right. The seat belt is extra adjustable in 3 positions so that smaller and larger children can participate in the cargo bike. The seat belt is attached to the underside of the seat and on the back wall.

Make sure the belt is mounted according to equal setting. So setting 1 by 1.
