1 Manual blanket Riksja

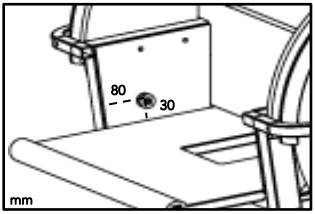

Parts overview

1. Elastic strap (4x)
2. Strap holder + screw 18 mm(4x)
3. Blanket (not pictured)

Step 1: Mount the upper strapholders

First remove the pillows from the Riksja.
Then mount the strap holders on both of the sides with the included screws

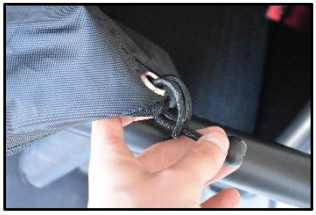

Step 2: Mount the lower strap holders

Mount the strap holders on both of the side of the footrests with the included screws

Step 3: Mount the elastic straps

Mount the elastic straps by looping it through the canopy and itself.

Step 4: Place the blanket over the Riksja

The blanket can now be pulled over the riksja

Step 5: Secure the blanket

To make sure the blanket stay secured to the Riksja while cycling, secure the four elastic straps around the strap holders.
